* Performance is net of monthly payout.

The Investment Funds ("Funds") mentioned in this document are specific to variable life insurance contracts and are not considered mutual funds.

The return on the investment in the Funds mentioned in this document depend on many factors that include interest and foreign exchange rate levels, both of which may fluctuate. There are also other factors that may cause a change in the value of the securities such as changes in the credit standing of the issuer, which cannot be guaranteed. Where a Fund has equity investments, returns on such a Fund will also be affected by changes in the value of the stocks and dividends received, both of which may fluctuate. This investment in the Funds is subject to risk and possible loss of principal. All investment risks, gains and losses, if any, shall be for the account of the variable life policyholder.

Returns are net of fund charges and are exclusive of charges associated with the variable life policy.

Past performance of the Funds is not necessarily indicative of future performance. Yields on investment in the Funds are not guaranteed.
