HealthFlex 3CI (Cancer, Heart Attack, Stroke) Bundle

See this sample illustration on the benefits you can enjoy with the HealthFlex 3CI bundle:

Meet Marco, a 30-year old Supervisor and a young father, who wants to prioritize his health so he can continue to provide for his family. In order to secure his family's future, he decided to get a HealthFlex 3CI plan. He is paying **P49,675.37** per year for 10 years with **P1,000,000** coverage.

Check out Marco's Benefits:

ADVANCED CRITICAL ILLNESS BENEFIT

Marco will get **1M** if diagnosed with any of the covered critical illnesses before age 100.

LIFE PROTECTION

Marco is protected by a life insurance coverage of **1M** until he reaches age 100 or maturity benefit if he is alive by age 100.

EARLY STAGE CRITICAL ILLNESS BENEFIT

Marco will get 25% of his Critical Illness coverage in case he is diagnosed with an Early Stage Critical Illness up to **P250,000**

WAIVER OF PREMIUM BENEFIT

Marco no longer needs to pay for his future premiums when he gets diagnosed with a covered Early Stage* or Advanced** Critical Illness.

*1 year premium is waived
** remaining premiums are waived

MALE CANCER BENEFIT

Marco's plan includes a Male/Female Cancer Benefit. In case he is diagnosed with male cancer, he will receive additional financial support of **P250,000**.
