

Boost your wealth building with a fund that maximizes total return by investing in some of the world's well-known brands.

Invest in the **Global Market Leaders Fund** through an investment-linked life insurance plan so you can have growth and protection at the same time.

What is Manulife Global Market Leaders Fund?

This fund invests in a concentrated portfolio of equity and equity-related securities of large capitalization companies listed globally, where most are market leaders in their respective industries. It is an integrated global equity solution by Manulife Investment Management's equity teams where ideas are optimized for potential long-term value creation.

Why should you invest in this Fund?

High Quality

This fund invests in companies that own well-known brands, often leaders in industries and are competitively advantaged.

Sample companies* where the fund has invested in: **Microsoft, Pepsi, Google, Ferrari, Visa, Lowe's and Walmart.**

*Subject to change

Superior Growth

This fund has strong potential for long-term capital appreciation, aspiring for continued growth.

Lower Volatility and Global Diversification

This fund has potential for lower volatility through global diversification and robust risk management in the investment process.

Invest in this fund if you are:

- Looking for long-term investment growth and can withstand market volatility
- Diversifying assets by investing in global equities
- Willing to accept currency risks that come with investing in foreign currency denominated investments

How to get access to this Fund?

The **Global Market Leaders Fund** is available through select variable life products such as **WealthOne, FutureBoost, and Horizons**. These are insurance products providing life protection with an investment component.

Sample Illustration for Manulife FutureBoost

If you own a Manulife FutureBoost plan, you can invest in the Global Market Leaders Fund. Pay Php 7,800 per month for 5 years and get Php1M worth of life protection coverage plus a potential fund growth of Php 2.6M* when you stay invested. In addition to these, you also get other benefits such as Php 1M worth of protection from 60 Critical Illnesses and up to Php 2K per day if you get hospitalized.

*This illustration is based on a 30-year old female and assumes that the fund grew by 8% annually until reaching the age of 65. This is subject to the terms and conditions of the Policy Contract. Actual returns are not guaranteed and will depend on the actual fund performance.
